  - a. Awareness Programme/workshop on Career, organised by Career Counselling Cell in collaboration with Nagaland Tool Room & Training Centre:

A one-day workshop on "Skill Education as a Career Option" was conducted by the Career Counselling Cell of the college in collaboration with Nagaland Tool Room & Training Centre, Govt. of Nagaland Society. The programme was hosted by Navina Phanchopi Assistant Professor/member of CC Cell. In the programme, a total of 124 students and 15 teachers attended the workshop. A total of 4 experts from the training centre came to guide the students on skill education and delivered lectures to motivate the students to have skills in life and to enhance their skills for a better future. The lecture was delivered by Mr P.A. Thomas, who is a senior trainer at KudaTech Training Centre, Dimapur. He encouraged the students to participate in the training programme that would be conducted in the training centre, Dimapur offering various courses to enhance one's skills. It was then followed by Mr. Zaman Borthakur, a senior trainer from the NTRC. He has spoken to the young students and shared views on the importance of acquiring skills and how it would benefit the students in the future.

At the end of the programme, feedback forms were distributed among the students and collected the names of the students, who were supposed to get enrolled in various training programmes conducted by KudaTech. The Programme was concluded by the vote thanks offered by a student. The photographs and documents are attached here with.
