Memorandum of Understanding
on Academic Cooperation
between

Pub Kamrup College, Baihata Chariali, Kamrup, Assam
and

Eastern Karbi Anglong College, Sarihajan, Karbi Anglong, Assam

The Parties;

Pub Kamrup College, Baihata Chariali, Kamrup, Assam (hereinafter "PKC"); and Eastern Karbi Anglong College, Sarihajan, Karbi Anglong, Assam, (hereinafter "EKAC") are the two pioneering not-for-profit institutes of the state of Assam, conclude this Memorandum of Understanding (hereinafter: "MoU").

1. The purpose of this MoU is to develop academic and educational cooperation and to promote mutual understanding between the two Parties.
2. Each Party agrees to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.
 - 2.1) Exchange of Teaching-Learning Prospects
 - 2.2) Conducting collaborative research work and projects
 - 2.4) Conducting lectures and organizing symposia
 - 2.5) Exchange of academic information and materials
 - 2.6) Promoting collaboration in fields of mutual interest
 - 2.7) Promoting other academic cooperation as mutually agreed
3. The development and implementation of specific activities based on this MoU will be separately negotiated and agreed between colleges, schools or institutes which carry out the specific projects and will be subject to a separate written agreement. Each Party agrees to carry out these activities in accordance with the laws and regulations of the respective authorities after full consultation and approval.
4. It is understood that the implementation of any of the types of co-operation stated in Clause 2 shall depend upon the availability of resources and financial support of the Parties concerned.

5. Both Parties agree that prior written approval is required before using the other Party's name, logo, or other Intellectual Property rights in any advertising or associated publicity.
6. Should the collaborative research activities under this MoU result in any potential for intellectual property, each Party shall seek an equitable and fair agreement as to ownership and other property interests that may arise.
7. This MoU may only be amended or modified by a written agreement signed by the representatives of each Party.
8. This MoU is valid for a period of three years from the date of signing by the authorized signatories of each Party. Each Party shall review the status of the MoU at least three months before the end of the three-year period to determine whether it wishes the MoU to continue and, if so, any necessary modifications that might be incorporated. The period of validity of this MoU may only be extended by the mutual written consent of both Parties.
9. This MoU may, at any time during its period of validity, be terminated by one of the Parties upon prior notice to the other in writing not later than six months before the termination date.
10. The Parties may disclose certain confidential information to the other in relation to any future proposal made under this MoU. Each Party therefore agrees that the contents of this MoU and the negotiations in relation to any future proposal remain strictly confidential and each Party hereby undertakes not to disclose the same to any third Party, save for its professional advisers, without the prior written consent of the other Party except where such disclosure is required by law (including, without limitation, under applicable freedom of information legislation).

Report of the event “Celebration of National Science Day, 2024”

Activity: International Webinar on Science for A Sustainable Future

Host organizer: Research and Development Cell, Eastern Karbi Anglong College

Collaborator: Zoology Department and Science Forum, Pub Kamrup College, Baihata Chariali, Kamrup, Assam

Moderator: Dr. Joyashree Baruah, Convener, Research and Development Cell, Eastern Karbi Anglong College

Welcome address was delivered by Dr. Anil Ch. Das, Principal, Eastern Karbi Anglong College. In his lecture he emphasized the importance science day and urged active participation from both faculty and students. He also focused on the fact that further such type of collaborative programme should be conducted on yearly basis.

The event was **inaugurated** by Dr. Bhupen Kr. Sarmah, Principal, Pub Kamrup College. In his lecture he also focused on importance of science in our daily life and also asked the students to take active participation in such programmes.

Dr. Khagen Das, Coordinator, IQAC, Pub Kamrup College also **addressed the gatherings**, and mentioning all the related events that can be done between both the colleges.

Dr. Sarojmoni Sonowal, Head, Department of Zoology, Pub Kamrup College delivered a lecture on the significance of National Science Day. She also emphasized on this year's theme, which is on building Atmanirbhar Bharat, i.e. 'Self-Reliant India'.

Dr. Pankaj Kalita of Eastern Karbi Anglong College introduced the invited speaker for the webinar in terms of his academic and research background.

Dr. Jayanta Sarmah Baruah, Post Doctoral Fellow in the Complex Fluids Laboratory, School of Mechanical Engineering, Korea University of Technology and Education, Cheonan, South Korea delivered his lecture in the topic “Importance of Nanomaterials in biology: An Insight on Biomedical Applications”. In his lecture, he described how nanomaterials can be used in the biomedical field for treatment of various diseases. He also showed his work on how nanomaterial can be used for drug delivery and different modified nanoparticles that he has worked on. Dr. Baruah also showed how gold nanoparticles were used for calorimetric detection of SARS-CoV-2 virus.

The lecture was followed by an effective interaction session from both faculties and students. The webinar ended by the formal vote of thanks by Dr. Pankaj Kalita, followed by distribution of feedback forms and generation of e-certificates to the participants.
