Report on Cleanliness Drive under Swatch Bharat Abhijan:

In response to the letter No DHE/EG/EYTC83/2023/39 of Office of the Director of Higher Education Assam, on behalf of "World Tourism Day" on 28th September, 2023, Yuva Tourism Club of Eastern Karbi Anglong College in collaboration with IQAC of the college organized a cleanliness drive in the college premise with Dr. Minakshi Duarah as organizing secretary assisted by Dr. Partha Pratim Das, Dimbeswar Das teacher members and Sarlong Engti, student co-ordinator of the Yuva Youth Club, Dr. Pankaj Kalita, Co-ordinator of IQAC and other faculty members of the college. The programme was organized under Swatch Bharat Abhijan, a country-wide campaign initiated by Government of India, launched by Prime Minister of India on 2nd October, 2014 on behalf of Birth Anniversary of Mahatma Gandhi which aimed to make India an open defecation free country in five years. The aim of the cleanliness programme was to make the students aware of the cleanliness and to highlight the link between cleanliness and good health as cleanliness and hygiene play a crucial role in maintaining the health wellbeing of the people. Total 24 students actively participated in the cleanliness programme, cleaned the premise of the college and were able to understand the value of work.

Report on Orientation Programme organized by Students Support Cell on 15th February 2024:

An Orientation Programme on Academic Bank Credits(ABC) has been organized on 15th February, 2024 from 10 A.M. at Zoology Department of Eastern Karbi Anglong College by Students Support Cell with Dr. Minakshi Duarah as Organizing Secretary among the students of 1st Semester, Four Year Under Graduate Programme of both Science and Arts Stream of Eastern Karbi Anglong College. Total 68 participants participated in the programme. Dr. Minakshi Duarah stated about basic things of ABC, stated that ABC is a virtual/digital storehouse that contains the information of the credits earned by students throughout their learning journey which enables the students to open their accounts and give multiple options for entering and leaving colleges or universities. Dr. Rajesh Prasad, Head of Zoology Department was resource person of the programme, he elaborately explained about ABC and stated that ABC enables the students mobility across HEI to help in seamless integration of skills and experiences into a credit based system. He added that students must register on the ABC portal to ensure the availability of credits in their ABC account. He showed digitally the students how they can register themselves on the ABC portal and registered few students on the ABC portal. It was a successful practical orientation programme in which all the students learnt to registrar themselves in the ABC portal.

Report of the event “Celebration of National Science Day, 2024”

Activity: International Webinar on Science for A Sustainable Future

Host organizer: Research and Development Cell, Eastern Karbi Anglong College

Collaborator: Zoology Department and Science Forum, Pub Kamrup College, Baihata Chariali, Kamrup, Assam

Moderator: Dr. Joyashree Baruah, Convener, Research and Development Cell, Eastern Karbi Anglong College

Welcome address was delivered by Dr. Anil Ch. Das, Principal, Eastern Karbi Anglong College. In his lecture he emphasized the importance science day and urged active participation from both faculty and students. He also focused on the fact that further such type of collaborative programme should be conducted on yearly basis.

The event was **inaugurated** by Dr. Bhupen Kr. Sarmah, Principal, Pub Kamrup College. In his lecture he also focused on importance of science in our daily life and also asked the students to take active participation in such programmes.

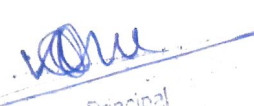

Dr. Khagen Das, Coordinator, IQAC, Pub Kamrup College also **addressed the gatherings**, and mentioning all the related events that can be done between both the colleges.

Dr. Sarojmoni Sonowal, Head, Department of Zoology, Pub Kamrup College delivered a lecture on the significance of National Science Day. She also emphasized on this year's theme, which is on building Atmanirbhar Bharat, i.e. 'Self-Reliant India'.

Dr. Pankaj Kalita of Eastern Karbi Anglong College introduced the invited speaker for the webinar in terms of his academic and research background.

Dr. Jayanta Sarmah Baruah, Post Doctoral Fellow in the Complex Fluids Laboratory, School of Mechanical Engineering, Korea University of Technology and Education, Cheonan, South Korea delivered his lecture in the topic “Importance of Nanomaterials in biology: An Insight on Biomedical Applications”. In his lecture, he described how nanomaterials can be used in the biomedical field for treatment of various diseases. He also showed his work on how nanomaterial can be used for drug delivery and different modified nanoparticles that he has worked on. Dr. Baruah also showed how gold nanoparticles were used for calorimetric detection of SARS-CoV-2 virus.

The lecture was followed by an effective interaction session from both faculties and students. The program ended with the vote of thanks by Dr. Pankaj Kalita, Coordinator, IQAC, EKAC followed by distribution of feedback forms and e-certificates to the participants.

Field Trip Report to Dikruti Waterfall

Date: 29th June 2024

Destination: **Dikrutpi Waterfall**

Participants: 14 Students and Faculty

On 29th June 2024, a group of 14 students embarked on an educational field trip to the **Dikrutpi Waterfall** to study the region's rich biodiversity. The primary objective of the trip was to observe and collect species found in and around the waterfall area, enriching the students' understanding of the ecological diversity of the region.

Journey Details

The journey commenced at 7:00 a.m. from Sarihajan. The group stopped midway at Bakalia(Volongkom - aji) for breakfast, providing a brief respite before continuing the journey. The team reached the destination at 11:00 a.m., greeted by the serene and vibrant surroundings of the waterfall.

Activities at the Waterfall

Upon arrival, the students explored the area under guided supervision, searching for various species. The following organisms were identified and collected during the study:

Arachnids: Spiders

Mollusks: Snails

Aquatic Life: Fish, crabs

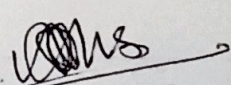

Insects: Ants , butterfly and other insect species

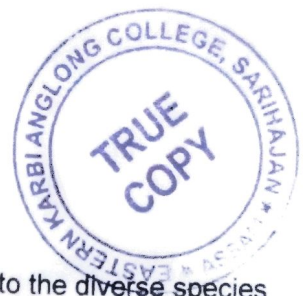

The students documented their findings, noting the unique characteristics and habitats of the organisms observed. The field trip was an engaging learning experience, offering insights into the interdependence of aquatic and terrestrial species within the ecosystem.

Return Journey

After completing their activities, the group departed from Dikrutpi Waterfall and reached Sarihajan by 8:30 p.m., concluding a fulfilling and educational day.

Conclusion

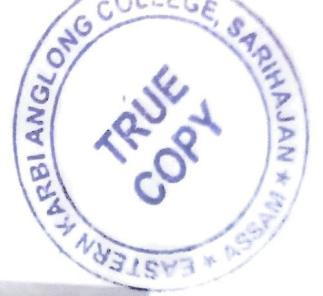

Dr. Anil Ch. Das, Principal
Eastern Karbi Anglong College
Sarihajan, Karbi Anglong

The field trip successfully achieved its objective of introducing students to the diverse species inhabiting the Dikrutpi Waterfall area. It provided hands-on experience in ecological studies and reinforced the importance of biodiversity conservation. The students expressed enthusiasm and a deeper appreciation for nature following this insightful experience
