Education itself is a boundless entity and as such enumerates myriad of activities and processes. Keeping pace with this perspective, the modern education system has transgressed the threshold of formal teaching learning process by moving towards the domains of research, social philosophy, nationalism and vocational advantages with an aim for the all round development of the students.

Keeping this extended aim of Education in view, the Assamese Departments of Sarupathar College and Eastern Karbi Anglang College have decided to work together for a better prospect. Both the Colleges have decided to work on the following projects:

- 1. Teacher exchange programmes.
- 2. Field Study/Educational Tour.
- 3. Literary Functions.
- 4. Cultural Exchange Programmes.
- 5. Student Exchange programmes.
