**REPORT ON  
AWARENESS PROGRAMME ON DIGITAL BANKING AND BANKING  
EXAMINATION (19 SEPTEMBER 2021)  
ORGANISED BY  
WOMEN CELL, EASTERN KARBI ANGLONG COLLEGE, SARIHAJAN**

An Awareness Programme on digital banking and banking examination has been conducted by Women Cell in collaboration with Alumni Association on 19 September 2021 with a view to create awareness among the participants about digital banking, its advantages and disadvantages and how they students can prepare themselves for banking examination. Dr. Minakshi Duarah, chairperson of Women Cell acted as a convener of the programme stated objectives of the programme. Dr. Anil Ch. Das, Principal of the college inaugurated the programme emphasizing the importance of digital banking. Khem Prasad Sarmah, member of Alumni Association gave the welcome speech, greeted Principal of the college, Resource Person, Gautam kr Bailung, Deputy General Manager and General Manager of Indian Bank, Barasat Zone of Weast Bengal, invited guests from different colleges Dr. Pranab Dhekiak Pkukan, Associate Professor of Assamese department, Dr. Rubab Fatema Namani, Associate Professor of Economics Department, Nava Kamal Borah, Assistant Professor of Economics department, Teaching Faculties, members of Alumni Association and participants. Resource person Gautam Kumar Bailung stated about ATM card, Credit Card, Pre paid card, RTGS, NEFT etc., advantages of using these and the risks involved in using it. The resource person G. Bailung stated how the students can prepare themselves for banking examinations, stated about two types of banking requitment examinations, banking officers and clerical rank, also about special requitment from Statistics, Engineering Department and Law department. He further stated that the students of Assam have the talent to qualify for Banking Officers' requitment but they need to be hard workers. The participants specially the students interacted with the resource persons for 10 minutes to satisfy their queries. Dr. Pranab Dhekal Phukan, another speaker spoke about the use of banking products and the use of risk in using it. He mentioned about disappearance of cardinal relation among bank officials and the customers as now the customers need not go to the banks for banking products and banking transaction because of internet banking facilities. Another speakers Porag Sarmah and Rajib Kumar Baruah stated about the use of digital banking and encouraged the students to appear in banking examinations. President of Alumni Association Roson Panging and Bobita Yadab from students side shared their views about the programme and viewed that they are benefited from the programme. Dr. Minaksh Duarah, convener of the Programme gave vote of thanks to everyone specially the resource person, invited guests, participants for their co-operation in the programme.

**A CAREER COUNSELLING PROGRAMME ORGANIZED BY THE  
DEPARTMENT OF CHEMISTRY, EKAC IN COLLABORATION WITH CARREER  
COUNSELLING CELL, EKAC:**

A Career Counselling Programme organized by the Department of Chemistry, EKAC on 13<sup>th</sup> December 2021 with 75 as the total number of participants coming from nearby educational institutes and students of EKAC as well. The main objective of this career counseling is to provide the students with the skills they need to see them through their life. Career Guidance and Counselling refers to a **comprehensive & developmental approach** to assist individuals in making & implementing informed educational and occupational choices. It is an established scientific practice that is based on making well-informed choices with respect to a student's transition from school to higher education and then from higher education to occupations. Trisha Dutta, Assistant Professor, Dept of Chemistry hosted the programme. Vice principal Mr S. Sukla addressed the gathering on behalf of Dr. Anil Ch. Das, Principal of Eastern Karbi Anglong College in his absence, inaugurated the programme. IQAC Co-Ordinator Mr. Prasanta Gogoi delivered a brief speech on career counselling. Dr Himani Medhi, HoD, Chemistry also addressed the gathering. The resource person of the programme was Dr Rupam Sarma, Assistant Professor, Department of Chemistry, Nalbari College, who explained about careers after 12<sup>th</sup> for both students of Arts and Science stream as a whole. Students from the institution namely Sarihajan Higher Secondary school also attended the programme. Students enjoyed the session very actively and the event was very successful. At the end of the meeting, Dr Monmi Saikia, Assistant Professor Department of Chemistry, offered a vote of thanks. The Photos and documental proof of the event are attached herewith:
