Foreword

Eastern Karbi Anglong College, a leading higher educational Institution of the eastern part of Karbi Anglong district, was established in 1997 at Sarihajan at the unstinting initiative and generous contribution of the local public. The noble attempt to establish this college was made in 1997 itself with the convening of a public meeting on 6th July 1997 at Sarihajan PWD Rest House under the presidentship of Mr. Humsing Bey, the then E.M. i/c Edn. KAAC, Diphu. It was in this meeting that a resolution was passed to start the Eastern Karbi Anglong College from the session 1997-98.

However, the regular classes started in September 1997 with Mr. B.B Goswami (Retd. Lecturer, Deptt. of Economics, Kaliabar College) as the founder Principal. He was assisted by the founder Lecturers Mr. A.C. Das, Mr. S.L. Subba, Mr. E. Ekka, Mr. P.K. Saikia, Ms. K. Singh, and Ms. R. Singh. The college had a humble beginning with only 41 students.

As the college did not have its building, it was initially housed at the old dispensary building of Karbi Anglong Sewa Kendra and the newly erected temporary house by the local public at Sarihajan Tiniali. The KAAC, Diphu has generously allotted 100 Bighas of land to this budding institution. In 2001 the college was shifted to its beautiful permanent building at Talbalijan. It has been receiving the services of qualified, experienced, and dedicated lecturers.

It was formally inaugurated on 29th September 2003 by Dr. Jayanta Rongpi, the then M.P., and Mr. Jagatsing Ingti, M.L.A.

The College has acquired establishment and academic permissions from the Education Department of Karbi Anglong Autonomous Council, Diphu from the date of its inception in 1997. It has also obtained permission for classes up to Degree level from the academic authority of Assam University, Silchar in 1998. An affiliated institution under the Assam University, Silchar, the college was granted "Govt. Concurrence" by the Govt. of Assam in 18th October, 2001. More satisfyingly, the college has been accorded Degree Examination Centre in 2005 and since then it has been successfully conducting the TDC Examinations. The process of bringing this institution under the deficit grants-in-aid-system of the Govt. of Assam was started in 2002 and the Assam Venture Institutions Provincialization (of Services) Act, 2011, amended 2012 has been enforced in the college w.e.f. 1st January 2013. Further, Eastern Karbi Anglong College, an affiliated (permanent) college under Assam University, Silchar, has been granted U.G.C.'s 2(f) & 12(b) status vide order No. F No.8-498/2012(CPP-I/C) dated 13th October 2015.

Since its establishment, the college has recorded quite satisfactory academic performance. Gradually the college has been on its way towards carving out a name and fame in various fields including games & sports and literary activities.

A PROFILE OF THE COLLEGE

The long-cherished dream of the people of eastern Karbi Anglong came to reality in 1997. This venture Arts College was started with only 41 students and 6 teachers. A lot of concerted efforts are being made by its noble founders, the general public, the college authority, and the students' leaders in bringing the college under the deficit grants-in-aid system of the Govt. of Assam. The college, located in the outskirts of Bokajan town at Talbalijan, has 12 (twelve) Departments, 39 Teachers, 14 Non-teaching staff, and more than 1000 students on the roll. As to the age of the college Library, it goes back to the year 1998 when it was started in its old building with 351 books while at present it has around 7000 books besides multifarious journals, magazines, and newspapers. The ideal location of the college provides a serene atmosphere with calm and green surroundings which are conducive to academic pursuits. It offers ample opportunities for students to develop their skills and talents through academic and co-curricular activities. The college News Letter has been brought out yearly since 2004.

Thus the doors of higher education for the general students of the eastern part of Karbi Anglong district have been opened and much progress has been made both in the academic as well as the infrastructural front.

Eastern Karbi Anglong College has been trying to open new courses at the college for the benefit of local students. From the session 2011-12 the college has opened a study center of Krishna Kanta Handique State Open University in the college for the benefit of those aspirants who have dropped out from general studies or those in service.
